One West - Latest news

This is one of the new ways we are going to pass news to our clients.

We will be mailing regularly to keep you up to date with what we are doing.

Some of you won't be aware of our **new web site**.

It has got great information on our services & some excellent free resources that you can use.

Check it out here: <http://onewest.co.uk>

For **Data Protection clients** we are also updating our **Members Area**. Its now got a full range of interesting podcasts & downloadable templates for you to use.

You will need to log in so have your password handy. You can find it here:

<https://onewest.co.uk/my-account/members-area/>

(For note if your organisation prefers not to enable cookies you may have to enter your password twice. Don't worry - double enter and you will get in to this part of our site)

You will also find us on **Twitter** with posts about whats going on in our sector. We can be found at @onewest_ . The easiest way is via the Twitter icon below. We would love you to follow us.

If you prefer we also have a presence on **LinkedIn** and you may soon get an invite from us on that. We want to have a dialogue with our clients and think this may be an excellent way of doing that. Again the button at the bottom will take you there.

If you want to change how you receive our emails just let us know via One_West@bathnes.gov.uk

Thanks

The One West team.
